## Vision

The Mater Dei School Community is made up of children, parents, teachers and staff and upholds its motto "Caritas" (caring) by having a welcoming, inclusive and positive environment as we work together through our Catholic Christian faith, actions and love for all. We shall have a quality, safe environment where learning is relevant, motivating and meaningful because our children have developed the knowledge, skills and Christian values needed for life's journey. Mater Dei is a place where our children are encouraged to work and reach their full potential as individuals and as members of the wider community.

## Mission

Values

Care

Respect

Service

Excellence

## Priorities

### Catholic identity

**Goal:** To deepen the spiritual, scriptural and theological capacity of our students, staff and community.

#### Strategies:

- Teachers to meet with APRE to develop a Scope and Sequence and plan units of work from the approved RE curriculum
- APRE to begin to engage with the Strong Catholic identity: Formation for mission modules
- Review our school's current vision and mission statements
- Form a committee to lead the process of review (including APRE, EO, CT, parent)
- Audit of iconography of the school to recontextualise for a contemporary Catholic world-view

#### Success measures:

- Development of a Scope and Sequence in RE for each Year level
- Development of RE units that focus on responsive, differentiated pedagogies
- APRE to deliver one of the Strong Catholic Identity: Formation for mission modules to staff
- Draft plan of new vision and mission statements
- Audit of iconography completed
- Draft plan for new iconography in the school
