Methods of Payment – School Fees:

Our preferred method of payment is an agreed payment plan via Direct Debit (no additional credit charges apply for this method of payment). Forms are completed once during a student's enrolment, providing the school authority to modify the instalment amount in line with any changes to school fee charges in subsequent years. All changes are notified to the fee payer prior to processing. These forms are available on our parent portal or via the school office.

Other accepted methods of payment include

- BPAY
- Online with MasterCard / Visa via BPOINT on the Parent Portal or school website
- EFTPOS – Debit and Credit Cards at the school office
