

Mater Dei Catholic Primary School

# Vision and Mission

## Vision

We are a faith-filled learning community that ignites hearts, engages minds and serves others, inspiring all towards active participation in transforming our world.

## Mission

Our mission is to:

### Ignite

Ignite hearts of Caritas that reach out and connect to others through love, co-creating a world where all of creation can thrive.

*"I give you a new commandment: love one another. As I have loved you, so you also should love one another."*

John 13:34

### Engage

Engage curious minds that seek to realise their full potential, empowered as active citizens to transform the world now and into the future.

*"I have come that they may have life and have it to the full."*

John 10:10

### Serve

Serve others so that all are welcome, belong and are known by name, collectively shaping lives to create a better world.

*"Do to others whatever you would have them do to you."*

Matthew 7:12

**Caritas – care and concern**
